## Little Shop of Horrors

### Details

- This event will take place inside the theater space at SALT in Chester Springs.
- Seating will be at full capacity.
- Per CDC guidelines, unvaccinated audience & staff are required to wear face masks at all times before, during, and after performances.
- When you purchase a **live-stream** ticket, you will be emailed a link to the stream with an exclusive stream access code, unique to you, for the date and time of the show you selected at purchase.
- Live-stream access is just like attending the real show - the platform will not allow you to pause, rewind, or access the video after the show is over. Since it is live, there will be an intermission the same length as the one experienced by in-person attendees. Make sure you log in on time so you don't miss the beginning of the show! We do not offer refunds for missed shows / unused live-stream access.
- The live-stream is via the ShowTix4U web browser platform, which requires a computer or mobile device with an internet browser to access. Your access code can only be used on 1 device at the same time.

### Event Waiver

By purchasing an in-person ticket I am agreeing that I understand that COVID-19 is an extremely contagious disease that can lead to severe illness and death, An inherent risk of exposure to COVID-19 exists in any public place where people are present and is particularly dangerous to the elderly and those with existing medical conditions. I understand that SALT Performing Arts is operating under reduced capacity and retains the right to adjust this capacity over the course of ticket sales based on the ever-changing recommended guidelines for indoor events. I waive SALT Performing Arts, it's staff, and affiliates from any & all financial, moral, & legal liability should any member of my party become diagnosed with COVID-19 after the date of this performance. I understand that no one in my party is permitted to attend this event if they are currently diagnosed with COVID-19, have recently been exposed to someone infected with COVID-19, have a fever, or are experiencing any other symptoms identified by the CDC. I understand that I have the right to not purchase a ticket or not attend this event if I have any concerns for the health of myself or others.
